

HOUSTON FAST TECH 50

Secure Cash Network, Inc. Named 12th Fastest Growing Technology Company

Houston, November 7, 2008 – Houston's 50 fastest-growing technology companies were honored at the **Houston Fast Tech 50** luncheon presented by the *Houston Business Journal* and held at the InterContinental Houston Hotel.

Secure Cash Network, Inc. was ranked as No. 12 on the Houston Fast Tech 50 list.

Over 450 Houstonians from the business community cheered on the 2008 Fast Tech 50 award recipients at the luncheon where the rankings were first made public. Companies making the list were ranked by percentage of revenue growth over the past two years.

The Houston Fast Tech 50 event, hosted by the Houston Business Journal, was presented by PKF Texas. Co-sponsors of the event were Capital One Bank, Griffin Partners: 1301 Fannin, Oracle, Phillips & Reiter PLLC, Pierpont Communications, Houston Technology Center, Rice Alliance for Technology and Entrepreneurship and Fox 26 News.
