

Secure Cash Network is selected as the 2nd fastest growing company in greater Houston

Conroe, Texas, October 1, 2008 – Secure Cash Network, a provider of alternative financial service, announced today that it was selected as one of the fastest growing companies in the Houston metropolitan area by the Houston Business Journal.

Secure Cash Network placed 2nd in the Houston Power 10 list.

To qualify for the Power 10 award, the company must be headquartered within the ten-county Houston metropolitan area and have been doing business for a minimum of five years. In addition, the company's 2007 revenue must exceed \$2 million and have revenues less than a million for the two previous years.

The presenting sponsor for the Power 10 Awards is Whitney. Co-sponsors were G&A Partners, Pierpont, Reliant Energy, Verizon Wireless, HUB International and NWM Corporation.

About Secure Cash Network

Secure Cash Network, Inc. (SCN) is a Houston-based, fully integrated technology, stored value and international remittance platform for the development, marketing and support of innovative financial services.

Secure Cash Network's mission is to be recognized as:

- a leading provider of financial services to the underbanked;
- a visionary in developing innovative product and service offerings;
- a strategic solution provider to our marketing, sales and retail partners.

Our products and services are aimed at capitalizing on the growing demand for stored value cards (SVCs) and money remittance financial products specifically to the underbanked consumer. SVCs and money remittances are both fast-growing, mutually complementary, segments in the financial services industry which provide a complete offering to the consumer.
